

FUNG GRADUATE FELLOWSHIP (FGF) PROGRAM

AT **KOÇ UNIVERSITY**
ISTANBUL, TURKEY

Together with its partners the Victor and William Fung Foundation, Koç University (www.ku.edu.tr) is looking for **6 talented PhD candidates from China for the 2016-17 academic year.**

The Victor and William Fung Foundation have established the Fung Graduate Fellowship Program for students from China (including Hong Kong) who are admitted by Koç University to pursue PhD degrees. The Program is designed to support PhD candidates to carry out scientific research at Koç University over a four-year period, during which they will write their doctoral thesis generating new scientific knowledge.

WHY STUDY AT KOÇ UNIVERSITY?

- One of the leading universities in Turkey, currently ranked 13th in The Times Higher Education BRICS & Emerging Economies Rankings 2016 of top 100 universities.
- 32 MS/MA and 23 PhD programs across 4 graduate schools (Sciences and Engineering, Social Sciences and Humanities, Business, Health Sciences) all taught 100% in English
- 95% of KU Faculty have advanced degrees from top-tier US and European institutions
- 25% of students at graduate level are international
- Majority of our PhD graduates are placed amongst the best universities worldwide

NUMBER OF BENEFICIARIES

Every year 6 PhD students from all disciplines will benefit from the Fung Graduate Fellowship (FGF) Program.

FUNDING

The Fung Graduate Fellowship Program will provide

- Tuition cost
- Monthly stipend of US\$1350 for the entire period of study (4 years)
* The stipend is 60% higher than the regular PhD stipend at Koç University.
- Coverage of PhD thesis related expenses
- \$140 of Health Insurance
- Meal Card
- Free housing at the campus or \$500 for off-campus accommodation.

QUICK FACTS

• Koç University (KU), founded in 1993 as private non-profit university, offers a world class educational experience in Istanbul, Turkey. KU embraces students who have successfully acquired a BS degree and want to pursue MS/MA or PhD degrees. With its world class education, focus on R&D, globally acclaimed faculty and students filled with the desire to learn & research, KU invites graduate students to experience this center of excellence.

• The Victor and William Fung Foundation was established in 2006 to commemorate the 100th anniversary of the Fung Group. It is funded personally by Dr Victor Fung, Group Chairman (formerly known as the Li & Fung Group), and Dr William Fung, Group Deputy Chairman of the Fung Group. The mission of the Foundation is to promote leadership development principally through university students exchange programs; and thought leadership principally through think tanks and education institutes.
